

COMPANY OVERVIEW

L&T Technology Services Limited (LTTS) is a global leader in Engineering and R&D (ER&D) services. With 1,296 patents filed for 57 of the Global Top 100 ER&D spenders, LTTS lives and breathes engineering. Our innovations speak for themselves – World's 1st Autonomous Welding Robot, Solar 'Connectivity' Drone, and the Smartest Office Campus in the World, to name a few.

LTTS' expertise in engineering design, product development, smart manufacturing, and digitalization touches every area of our lives - from the moment we wake up to when we go to bed. With 104 Innovation and R&D design centers globally, we specialize in disruptive technology spaces such as NexGen Comms, Artificial Intelligence, Collaborative Robots, Digital Factory, and Autonomous Transport.

LTTS is a publicly listed subsidiary of Larsen & Toubro Limited, the \$21 billion Indian conglomerate operating in over 50 countries.
